ODISHA PVTG EMPOWERMENT & LIVELIHOODS IMPROVEMENT PROGRAMME (OPELIP)

Odisha PVTG Empowerment & Livelihoods Improvement Programme (OPELIP)

Government of Odisha in partnership with International Fund for Agriculture Development (IFAD) has taken up “Odisha PVTG Empowerment & Livelihoods Improvement Programme” (OPELIP) in the year 2016–17 for livelihoods improvement of 13 Particularly Vulnerable Tribal Groups (PVTG) in the State of Odisha.

The programme is being implemented through 17 Micro Project Agencies in 12 districts, covering 1125 villages of 89 Gram Panchayats. The programme targets to cover 96651 households during 8-year programme period.

Programme Abstract

Name of the Project	Odisha PVTG Empowerment & Livelihoods Improvement Programme.
Sectoral Area	PVTG Development (13 PVTGs)
Implementation Agency	SC & ST Development Department, Govt. of Odisha.
Field Implementing Agency:	17 Micro Project Agencies
Total Financial Outlay	INR 711.25 crores
Project Duration	8 years (2016-17 to 2023-24)
Target Beneficiaries	96651 Households (PVTGs:27308, Other ST-39969 & SC -8616 and others 20758 HHs)
Identified districts	Malkanagiri, Rayagada, Angul, Deogarh, Ganjam, Nuapada, Keonjhar, Sundargarh, Gajapati, Kandhamal, Kalahandi and Mayurbhanj
Programme Area	1125 villages & 89 GPs

Goal

Improved living conditions and reduced poverty of the target group households.

Key Objectives

Improved food and nutrition security and livelihood opportunities adapted to tribal communities.

Build the capacity of the target households, securing them their entitlements over land and forest, improving their agricultural practices for enhanced production, promoting income generating micro-enterprises for alternate livelihoods and ensuring access to education, health and other services and improving community infrastructure.

Budget Allocation (Rs. in Crore)

Total Project Cost	: Rs.711.25 Crore
IFAD Share	: Rs.318.49 Crore
Govt. of Odisha, Govt. of India Share (Includes Tax & Convergence)	: Rs.379.75 Crore
Beneficiary Share	: Rs.13.01 Crore

Programme Components

OPELIP has four major components, namely:

- » Community Empowerment,
- » Natural Resource Management (NRM) and Livelihoods Enhancement
- » Community Infrastructure and Drudgery Reduction and Programme Management

Expected Outputs and Outcomes

The programme will address to the common and specific needs of the PVTGs based on the micro-plans to be developed for each of the habitation. The programme is expected to achieve the following

Outputs

- Community Institutions Development
- SHG and rural financial services
- Natural Resource Management
- Food and Nutrition Security
- Livelihoods Improvement
- Community Infrastructure Development
- Drudgery reduction interventions

Outcomes:

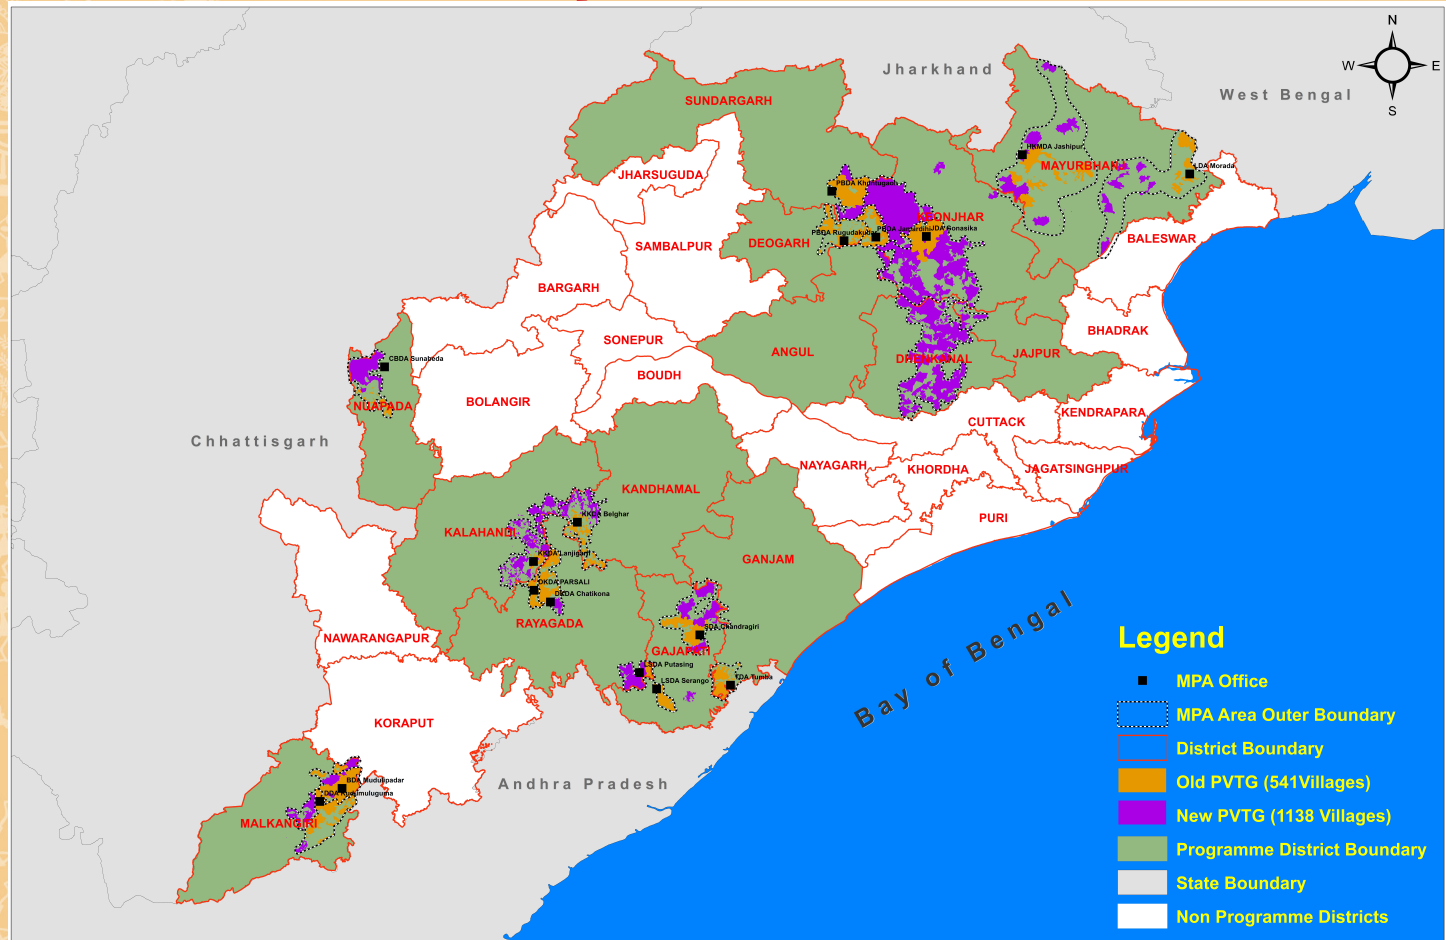

- Empowered community institutions access their entitlements
- Strengthened women SHGs access financial services
- Secured access to land for cultivation and homestead and improved land productivity
- Improved access to inputs and increased production
- Improved access to livelihoods opportunities in rural markets
- Improved access to socio and economic community infrastructure
- Reduced drudgery to women

Ultimate Results

Empowerment along with livelihood and food security of around 27308 PVTG households with sustainability
